Animated introduction to android application. Launch date TBD.

**Teaching Assistant, University of California, LA, Los Angeles, CA, 2012**  
Assisted in teaching film production for a Critical Media Studies class. Responsibilities include weekly tutorials and workshops covering the Adobe Production Premier Suite CS5.5 software and general film production and editing, and providing assistance to students.

**Freelance Graphic Designer, Wallace Roberts & Todd, Philadelphia, PA, 2010–**  
Designed and consulted on various continued projects.

**Software Trainer, Wallace Roberts & Todd, Philadelphia, PA, 2010**  
Trained beginner–advanced employees in Adobe Creative Suite CS4. Tutorials were recorded and made available digitally for all national branches as well as future training sessions.

**Graphic Designer, Wallace Roberts & Todd, Philadelphia, PA, 2008–2010**  
WRT is an internationally recognized multidisciplinary planning and design firm rooted in sustainability. Worked as a artist and multi-media designer for internal and company clients. Job responsibilities included storyboarding and visual conceptualization, layout, information architecture, illustration, photo simulation rendering, and production for reports, brochures, posters, presentations, websites, and various print collateral. Job required self-management, responsibility, and reliability. Left position to pursue graduate studies.

**Graphic Designer, Northfound, Philadelphia, PA, 2008**  
Codesigner at small graphic design firm. Projects included identity and branding, posters, brochures, web, and various print medium. The job brought tremendous experience in collaboration, client relationship, management, production, and enhanced my skill sets.
